

PROVINCE OF BRITISH COLUMBIA

ORDER OF THE MINISTER OF PUBLIC SAFETY AND
SOLICITOR GENERAL

Emergency Program Act

Ministerial Order No. M150

WHEREAS a declaration of a state of emergency throughout the whole of the Province of British Columbia was declared on March 18, 2020 because of the COVID-19 pandemic;

AND WHEREAS the COVID-19 pandemic poses a significant threat to the health, safety and welfare of the residents of British Columbia, and threatens to disproportionately impact the most vulnerable segments of society;

AND WHEREAS section 10 (1) of the *Emergency Program Act* provides that I may do all acts and implement all procedures that I consider necessary to prevent, respond to or alleviate the effects of any emergency, including causing the evacuation of persons and the removal of personal property from any area of British Columbia that is or may be affected by an emergency, and making arrangements for the adequate care and protection of those persons and personal property;

AND WHEREAS the COVID-19 pandemic has contributed to a reduction in the necessary supports available to people experiencing homelessness in encampments such as outreach, shelter, housing, food, income, access to day programs, harm reduction and health services;

AND WHEREAS the conditions in the encampments that have been established in Oppenheimer Park, Topaz Park and the Pandora Avenue corridor (the “Encampments”) pose a risk to the health, safety and welfare of the persons in the Encampments;

AND WHEREAS efforts to relocate persons from the Encampments to alternative housing and to improve sanitation within the Encampments have not been sufficiently successful;

AND WHEREAS the conditions in the Encampments present health and safety risks for first responders, health care workers, and the staff and volunteers of support agencies, who must attend at the Encampments for emergency, injury or health reasons or to otherwise ensure that the complex needs of the vulnerable populations in the Encampments are met;

AND WHEREAS changes to how financial and social supports are being delivered during the COVID-19 pandemic have exacerbated pre-existing safety and public order issues within the Encampments;
