BC Power Commission received CC

THE "ELECTRIC POWER ACT"

Report and Recommendation of the British Columbia Power Commission respecting the assets of the Nanaimo-Duncan Utilities Limited.

Project Number 501

For the reasons enumerated in its report to the Lieutenant-Governor-Council dated the 5th day of June, 1945:

The British Columbia Power Commission deems it necessary for improving the availability and supply of electrical power on Vancouver Island and Salt Spring Island that the electric power plant of the Nanaimo-Duncan Utilities Limited should be acquired:

THE COMMISSION THEREFORE RECOMMENDS that it be authorized by the Lieutenant-Governor-Council to take by expropriation proceedings and in accordance with Part VII of the "Electric Power Act", all of the power plant owned and used by the Nanaimo-Duncan Utilities Limited in connection with the generation or supply of electric power on Vancouver Island and Salt Spring Island, which plant includes, among other things, all lands, easements or other right of interest in lands, water, right to use water, together with all buildings, works, plant, machinery, installations, materials, devices, fittings, apparatus, appliances, offices, furniture and equipment, vehicles, tools, stores and supplies (including office stores and supplies) constructed, acquired, or used or adapted by the said Company for the generation or supply of power:

AND THE COMMISSION FURTHER RECOMMENDS that upon the taking of the power plant of the Nanaimo-Duncan Utilities Limited as aforesaid, that the Commission be authorized to exercise any or all of the powers enumerated

in Section 4 of the said Act deemed necessary for the operation and utilization of the aforesaid property to the fullest extent by the Commission.

Respectfully submitted:

The Honourable John Hart,
Premier,
Parliament Bldgs.,
Victoria, B. C.

Sir:

We beg to submit herewith our report and recommendations for approval by the Lieutenant-Governor-in-Council in respect of the following company:

Nanaimo-Duncan Utilities Limited Project numbered 501.

If approval is granted, it is the intention of the Commission to take over the assets of this company at the earliest possible date. However, we feel that it would be a matter of courtesy to give the company a month's notice before expropriation proceedings are initiated under the provisions of the Act.

Respectfully submitted:

British Columbia Power Commission

S. R. Weston

Chairman.
